

## **KNIGHTS' CREED**

I have been chosen by God to walk in His divine destiny. His purpose for my life is fulfilled, as I seek and follow His plan, His course, and His truth. Because the Holy Spirit leads me, my success in life is inevitable. I impact my generation for the Glory of God because greater is He that is in me, than he that is in the world. The Greater One causes me to prosper in every area of my life. I have an inheritance- all God has is mine, and has been given to me in Christ Jesus. Therefore, I abide in Jesus and He abides in me, for without Him I can do nothing. I stand for the cause of Christ with courage and with boldness, I trust Him with all my heart, and will not go on my own way. God's way is the only way to know my destiny and my purpose. Lord, as I am surrendered to you, I am counting on You to direct me in the way that I should go. I do not walk in fear, because I have Your power and Your love. I make a quality decision to obey Your voice and do Your will, which are where my destiny is revealed and my purpose fulfilled.
